## BSB Membership Code of Conduct

The Code is organized into categories, as follows:

### Service-

1. Always work with integrity, a positive mind, and honesty. Members should respect other members' opinions and they should treat everybody with dignity and equality. They shouldn't judge anybody regarding their gender, race, age, or sexual orientation.

### Accountability-

1. Conform to both letter and spirit of any training or direction dispensed to you by Brighters Society in connection with all responsibilities.
2. Abide by the rules and procedures of Brighters society of Bangladesh and hold up the decisions and directions of BSB authority and national board.

### Conflict of Interest-

To all the members of BSB, it is the duty of all the members taking part in any action of BSB to abide by the conflict of interests policy at all times. If any kind of unwanted conflict situation comes, members will formally divulge the interest.

### Confidentiality-

Respect and sustain the confidentiality of information gained as a member of BSB and the confidentiality of individual personal information about persons and in every operation.

### Personal or sexual harassment-

If any member faces any kind of unwanted assault or harassment (including personal or sexual), the Sexual Harassment Policy will be applicable here.

### Procedures for the care of others who may be vulnerable because of age, sex, or disability-

Brighters Society of Bangladesh will associate a one-on-one meeting with persons who may be vulnerable in any suitable public location or online.

Implementation-

It is necessary for everyone to strictly observe that this code is fundamental to every activity of BSB. It is sincerely important to all the volunteers, members, branch council, national board members and any other third-party service providers shall adhere to this code.
